

The first **Edmonton Veteran's Cup** was held on Jun 12, 2010 at the Edmonton Fencing Club (www.EdmontonFencing.com). A total of 22 Alberta and BC fencers of age 30+ fenced together in pools and direct elimination table. Medals were awarded by weapon, gender and age category based on the overall ranking in each weapon. More than a half of the fencers participated in all three weapons - Epee, Foil and Sabre. The organizer - Edmonton Fencing Club - lent equipment free of charge to those who needed such. An overall **Three Weapon Prize** was awarded to the fencer who has collected most points from all three events (1st place - 4 points, 2nd place - 3 points, 3rd place - 2 points, 5-8 place - 1 point). The tournament ran in a highly positive atmosphere of competitive spirit, fun and friendship of people of true passion for fencing. Pizza and beer were served at the end. A group of participants accepted the open-to-everyone invitation of one of the local fencer, and the event concluded with a great patio conversation until midnight with no signs of fatigue.
