# **IMPORTANT for New Fencers!**

The time listed on the Registration Form is the time for CLOSE OF REGISTRATION. This means that you must be checked in at the registration desk by this time at the latest. THE ACTUAL FENCING WILL BEGIN 30 MINUTES AFTER THIS TIME.

The 30 minutes between Close of Registration and actual fencing allows time for the Directoire to organize the registered fencer lists into pools and to allocate referees.

For example: 10:00 am – Mixed Foil

Fencers need to be checked in by 10:00 am and fencing will begin at 10:30 am.

## **How is a competition run?**

1. POOLS – Fencers are divided into pools (or groups) of up to 8 fencers. Fencers in each pool will do a Round Robin within their pool. (Fencers will fence everyone in their pool once.) The first to reach 5 points in each bout wins the bout. After the Round Robin, all the fencers in the various pools will be ranked according to their wins and losses.
2. DIRECT ELIMINATION (DE) – Fencers will compete according to the ranking from the pools. Depending on the age of the fencers, 8 to 15 points if required to win a bout. If the fencer wins their first DE, he/she continues on to the next DE, until there is a single winner. If at anytime a fencer loses a DE bout, he/she is eliminated from the competition and will be given a final ranking accordingly. ***IT IS IMPORTANT TO REMEMBER THAT FENCERS DO NOT LEAVE UNTIL THEY HAVE BEEN ELIMINATED FROM A DIRECT ELIMINATION BOUT.*** Final placements will be determined from the direct elimination rounds and medalists should stay to receive their medals (top 4 finishers).
